

SPONSORSHIP APPLICATION

Corporate sponsorship for the Great Guy Dinner presents a unique opportunity to reach high level executives from your community who join you in being passionate about eliminating cancer and helping families as they face the burden of cancer treatment. You will enjoy the company of the Philly Six Coaches from our prestigious colleges in Philadelphia and be entertained by local talent from our sports-media guests.

Your sponsorship is supporting the AstraZeneca Hope Lodge of the American Cancer Society and its goal of hosting those suffering from cancer and being treated in the City of Brotherly Love. The Hope Lodge is being built on the grounds of Fox Chase in Philadelphia. You are also supporting the Patient and Survivor Programs offered to your community by the Great Guy Group, in matters that are as unique as each family. Your support of this effort through the Great Guy Dinner is crucial to our success.
